

St Joseph's School

Cultural Extravaganza

To celebrate our learning about "Around the World", the whole school will take part in a Cultural Extravaganza on
Friday 4th June.

Children will take part in different cultural activities here at school, to celebrate countries and cultures.

One of the activities will involve food.

Please let your child's teacher know of any allergies, including gluten or dairy.

Children can dress up on the day. They could choose to wear clothing from their home country or clothes and colours of their choice.

Please see your child's teacher if you have further questions. If you are interested in helping out on the day [please click this link](#).

Thank you!
