

ST JOSEPH'S NEW PLYMOUTH SUMMER HOCKEY 2021

Dear Parents/Caregivers,

The 'Spring into Summer' hockey is back again...

Games will start on Saturday the 23rd of October and finish on Saturday the 11th of December (they run for 8 weeks). It is a great chance to keep building on your skills from the winter season. All teams play on the 1/4 turf, except the year 5/6 'skilled' grade which plays on the 1/2 field (just like in winter hockey).

We are collecting information online at this time so that teams can be made in time for registration. With payments, *please do not pay until we know what is happening, we will only invoice if it goes ahead.*

Cost:

The cost is:

- \$30 for year 3 and 4
- \$40 for year 5 and 6

Please fill in this [google form](#) by Friday 3rd September. Fill in one per student playing.

GEAR - Each player must have:

- Shin pads
- Mouth guard
- Sports shoes with good tread (sprigged boots are not permitted)
- A hockey stick (the school has some sticks for players to borrow if they don't have any)

Hockey is a Winter sport, so Summer hockey is more of a fun way to give it a go. There won't be any training sessions, unless parents/coaches would like to run them. Each team will have a manager who will run subs on the day.

Thanks,
Bridie Zarifeh
