25<sup>th</sup> March 2021

Dear Parents/Caregivers

### **Bought Lunch**

Forms are being sent home tomorrow to order a Bought Lunch for the last day of this term, **Friday 16<sup>th</sup> April**. The FOSJ are co-ordinating this opportunity for students to buy either pizza or Pita Pit. Forms must be back at school by Monday 12<sup>th</sup> April.

### **Community Digital Citizenship Parent Evening**

We are running a parent information evening on cybersafety for our families on **Monday 29<sup>th</sup> March at 7:00pm in the Staffroom**. Anjela Webster from Generation Online will be leading this presentation. Please join the staff for this educational evening.

Life online and offline for young people is a seamless experience, however, the safety of children has not been at the forefront in the design of many of the spaces and sites they enjoy and engage in. The role of whanau is vital, and makes the greatest difference in how young people learn what's needed to be safe, and how to navigate the online space.

### *Fostering Digital Safety and Wellbeing in a Connected World*

### **Weetbix Tryathlon**

The Weetbix Tryathlon is taking place on **Wednesday 31<sup>st</sup> March** at Ngamotu Beach. Although this is not a school event, staff will be in attendance to help supervise St Joseph's students. If you need staff to walk your child and their bike to Ngamotu Beach, and back to St Joseph's at the end of the day, please contact the school office. Staff will be leaving school at 8.10am and meeting at the school gazebo at the beach.

Please note that you need to notify the school office of your child's absence from school if they are participating in this event.

### **School Traffic**

Before and after school is a busy time for everyone. Please be patient and observe the road and parking rules to help protect our children and keep them safe. Taking the smallest of risks is not worth the risk!

The crossing on Calvert Road is specifically manned before and after school for the safe crossing of our students. Please use this crossing to get your children safely across the road.
